

# INDEX

Stock No	Product	Grade	Page
---	Description		3
---	Adjustment of bubble length Zero point adjustment(centering of bubble)		4
<b>Precision level</b>			
541AA	Precision square level	GradeA-AA	5
541A		GradeA	6
541B		GradeB	7
541		Standard	8
542AA	Precision flat level	GradeA-AA	9
542A		GradeA	10
542B		GradeB	11
542		Standard	12
---	About the accuracy of level		13
583	Magnetic square precision level		14
583LM	Magnetic square precision level for LM guide		15
584	Mini-level		16
740	High-level		16
600	Cross-test precision level (T-type)		17
252	Portable level		17
543	Adjustable bench level		18
572	Pocket level		19
573	Small bench level		19
574	Cross test level with vertical measurement		20
575	Cross test level		20
576	Round level		21
0501	Centering adjuster		21
<b>Square</b>			
546	Precision square with base		22
547	Flat - type square		23
548	I - type precision square		24
549	Precision thick type square		25
550	Knife edged standard square (type - 1)		25
550 - III	Knife edged standard square (type - 3)		26
569	Graduated precision square (type - C)		26
570	Graduated precision square (type - E)		27
571	Double - edged square		27
551	Cylindrical square		28
---	About the accuracy of square		29

Stock No	Product	Page	
<b>Straight edge</b>			
553	I - beam type straight edge	30	
554	Wide type straight edge	31	
594	Precision straight edge (type - I)	32	
595	Rectangular shape straight edge	33	
555	Steel straight edge normal form	34	
555B	Steel straight edge bevel form	35	
556	Standard steel straight edge	35	
578	Triangle straight edge for inspection	35	
552	Knife type straight edge	36	
580A	Straight edge with graduation (type-A)	37	
580B	Straight edge with graduation (type-B)	37	
---	About the accuracy of straight edge	38	
<b>V-blocks</b>			
557A	Cast iron precision V-blocks (type-A)	39	
557B	Cast iron precision V-blocks (type-B)	39	
558	Precision steel V-blocks	40	
559A,B	Box type V-block with v-groove clamp	41	
586	Steel V-blocks with clamp	41	
<b>Dial comparator</b>			
561	PH-3	Cast iron type Granite type	42
	PH-2	Cast iron type Granite type	42
	Universal model		43
	Universal small model		43
	Various combinations of dial comparators		44
<b>Dial stand</b>			
610	RS-1		45
	RS-2		45
	RS-3		45
<b>Bench center</b>			
562	Standard model	46	
563	Type - P	47	
591	Type - RV	48	
562S	Type - SG	49	
592	Type - VB	50	
600	Test bar	50	
<b>Applied equipment</b>			
581	Steel beam trammel with graduation	51	
560	Scale holder	51	
495	Universal bevel protractor	52	
589	Combination set	52	
565	Micrometer stand	52
